FUTURE INTERNS

Letter of Recommendation

CIN: FIT/MAY26/FS16392

05/07/2026

To Whom It May Concern,

We are writing this letter to recommend **MAINTHISHA SATHEESHKUMAR,** a student of **Kgisl Institute Of Technology,** who successfully completed her internship as a **Full Stack Web Development Intern** at Future Interns.

During her internship, **MAINTHISHA SATHEESHKUMAR** was engaged in structured, task-based assignments aligned with the program requirements. She demonstrated a consistent level of professionalism, responsibility, and commitment while working on her assigned tasks. Her approach to work reflected clarity in understanding requirements and the ability to apply learned concepts in practical scenarios.

Throughout the internship period, she showed steady improvement in technical understanding and problem-solving skills. She approached tasks with a willingness to learn, accepted feedback constructively, and maintained discipline in meeting timelines. Her attention to detail and methodical approach contributed positively to the completion of assigned deliverables.

Based on her performance and verified completion of the internship, we believe that she is well-prepared to pursue further academic or professional opportunities in related fields. We recommend her for roles or programs that value structured learning, consistency, and professional conduct.

Sincerely,
